The Canadian Dental Care Plan (CDCP)

The CDCP is a federal government dental benefit administered by Health Canada.

Please tell your dental provider if you plan to use CDCP benefits.

Your provider may or may not participate in the federal program.

To learn more about the CDCP, the services it covers, and its co-pay structure, visit canada.ca/dental or call the toll free Help Line **1-833-537-4342**
